

Middlesex Law Association Special

FOLA has partnered with EF Go Ahead Tours to bring you a unique travel opportunity to explore the Chile to Argentina: Santiago, Patagonia and Buenos Aires. As a division of EF Education First, EF Go Ahead Tours draws on over 50 years of expertise to provide informative and culturally rich travel experiences.

On this tour, exclusive to Law Association Members & their friends, colleagues, and families, you'll venture into the heart of Chile & Argentina, including Patagonia. You'll make the most of each location by taking part in informational sightseeing tours led by knowledgeable local guides who double as Naturalists. In addition to learning about the flora and fauna, educational highlights include 3 hours of Continuing Professional Development credits (optional), and visiting a Patagonia ranch.

To thank you for helping to promote this trip, **FOLA will donate \$50 to Middlesex Law Association for each and every person that joins the trip from your jurisdiction.** As a reminder, people do not need to either be a lawyer or a member of a law association to join this trip.

Why Travel with Go Ahead Tours?

When you travel with Go Ahead Tours, all of the details are taken care of, from handpicked hotels and authentic cuisine to the expert Tour Director by your side throughout the journey. With the perfect balance of expertly planned sightseeing and free time to seek out your interests.

The Best Service.

From the Tour Consultant who helps you plan your trip to the Tour Director by your side, Go Ahead Tours' personalized service before, during, and after your trip lets you enjoy every minute of your experience.

Handpicked everything

No detail is too small. Go Ahead Tours handpicks each hotel and excursion, and reads every review. If something doesn't meet the standards of their on-the-ground experts or their travellers, they update it - plain and simple.

A legacy of learning

EF Education First was founded on the belief that the best way to learn about our world is to experience it - 50 years later it remains a family-run company driven by that principle.

Smaller groups

Go Ahead Tours offers group sizes that are smaller than the competition's, so you'll enjoy more meaningful experiences on tour - deeper connections with fellow travellers, access to off the beaten path locales, and closer attention from the Tour Director.
