New Computers

We are pleased to report that the final two outdated systems in our computer area have been replaced with units that don't require a crank to get them going. These two computers were so old that when we updated the print/photocopier software, the operating system on these junkers was too old to be compatible. Now we have six computers that run quickly and have full printing capabilities.

Need an Old Computer?

Guess what we have to give away! Yes, these old systems are not something you'd want to replace your office computer, but if you have a young child who would like to have their very own computer to write stories on, you are welcome to come by and pick up one (or more) of the computers we have in storage. The systems have been erased with the help of a program so you will need to load software to make them run. However, they are great for youngsters who want to practice typing or make pictures in a paint program. In fact, if your child's day care or perhaps a charity you support needs these systems, we are happy to donate them to the cause. It's better than throwing them out!

Closet Cleanout- Missing Court Maternity Robe

Thank you to all our members who paid attention to our notices about the cleanout of the closet space in our library and made sure to remove their items by the deadline. Of course, there are always a few things that went missing that should have remained. One of those items is the court maternity robe that has been stored in our closet space (along with other court attire) and borrowed by female lawyers in need of it. It is essentially a black jumper that is worn under your actual robe, and it takes the place of a vest and skirt. Someone may have removed the jumper thinking we were going to throw it out or perhaps, coincidentally, someone may have borrowed it immediately before the cleanout deadline. If you have the robe, please contact us so we can arrange to have it stored here again.

Got an Old Robe or Tabs to Donate?

As mentioned above, we have some surplus court attire that we store here for members and visiting lawyers who discover that they forgot their items at home. Currently, we have one robe, one old jacket and two court shirts. We used to have several tabs but these items have gone missing over the years. We would greatly appreciate *any* donations of court attire that you can give us, especially tabs and vests.

Donation

We would like to thank Claude Pensa, for his donation of the book by Mary Willan Mason titled *The Consummate Canadian: A Biography of Samuel Weir Q.C.* The book would be of interest to our members interested in Canadian legal history and is full of beautiful photos and colour plates of artwork.

New Books

Birdsell, Mary et al. **Know your rights - a legal guide to your rights and responsibilities for people under 18**, Justice for Children and Youth
